

# THE FLIGHTS

---

With over 100 whiskies, it's hard to choose one. So why not choose three?

Our bartenders have come up with 7 flights to help you delve into the world of Irish whiskey.

What effect does a bourbon barrel finish have? How about madeira casks? And the ageing process?

Our flights are here to aid you in your quest to find out...

---

## 10'S ACROSS THE BOARD - £17.00

TYRCONNELL MADEIRA FINISH, BUSHMILLS 10 YEAR SINGLE MALT, WEST CORK 10 YEAR

We've selected three 10-year-old whiskies from all around the emerald Isle, each one aged and finished using a different technique.

## WOOD WORK - £15.00

TYRCONNELL SHERRY CASK, WEST CORK BOURBON CASK, GLENDALOUGH DOUBLE BARREL

This flight has a focus on the casks used during the ageing process. One sherry, one bourbon, and the Glendalough aged in both.

## THROUGH THE AGES - £40.00

REDBREAST 12 YEAR, REDBREAST 15 YEAR, REDBREAST 21 YEAR

What difference does three years make? How about nine? Try our trio of Redbreasts and discover the rich and complex flavour profiles for yourself!

## RARE AULD TIMES - £70.00

REDBREAST 21 YEAR, MIDLETON VERY RARE, MIDLETON BARRY CROCKETT LEGACY

A real treat. The first has a 21 year aging process, introducing new levels of depth, flavour and taste. The second is a blend of a 32 year old grain whiskey and 26 year old single pot still whiskey. The final, a selection of pot still whiskies, matured exclusively in American bourbon barrels with a subtle contribution from a pot still distillate which has matured in an unseasoned American barrel.

## ODE TO THE FAMILY

Ever wanted to taste the difference between a single grain and a single malt? A 10 year and a 5 year? Then these are for you...we've selected three whiskies from the same family so you can appreciate the different aspects of their craft.

### BUSHMILLS - £12.00

BUSHMILLS ORIGINAL, BLACK BUSH,  
BUSHMILLS TEN YEAR OLD SINGLE MALT

Hand crafted in the oldest working distillery in Ireland, Bushmills offer some of the most beautifully smooth traditional Irish whiskey around.

### TEELING - £18.00

TEELING SMALL BATCH, TEELING SINGLE  
GRAIN, TEELING SINGLE MALT

This Teeling trio takes you through the more non-traditional casks. The first aged to ex-bourbon and ex-rum. The second uses Cabernet Sauvignon and the third - Port, Sherry, Madeira, White Burgandy and Cabernet Sauvignon.

### POWERS - £18

POWERS GOLD, POWERS JOHN'S LANE  
RELEASE, POWERS SIGNATURE

This distillery throws more tops and tails away than any other Irish distillery, meaning you only receive the very heart of the distillate. Discover the difference in flavour with the second two crafted using the single pot still method.
